| Display area    | 1209.6(H)*680.4(V)mm             |
| Resolution      | 1920*1080                        |
| Brightness      | 400cd/m2                         |
| Contrast        | 3000:1                           |
| View Angle      | 178° left and right, up and down |
| Points Distance | 0.21(H)*0.63(V)mm                |
| Response time   | Less than 5ms                    |
| Life            | More than 6000 hours             |

4. PC Performance

|              |                                    |
|--------------|------------------------------------|
| CPU          | Intel dual core i7, 1.8G Hz        |
| RAM          | DDR3 4G                            |
| Storage      | 128G SSD HDD (can expand)          |
| Main Board   | Industrial board                   |
| Network Card | 10/100M/1000M adaptive card        |
| WIFI         | Support WIFI                       |
| OS           | Windows 7,8.1 and 10 trial version |

5. Interface

|                   |                                   |
|-------------------|-----------------------------------|
| USB               | USB*4                             |
| COM               | COM*1                             |
| HDMI Output       | HDMI*1                            |
| VGA Output        | VGA*1                             |
| MIC Audio Input   | MIC Audio*1                       |
| Line Audio Output | Line*1                            |
| Network           | RJ45*1, built-in Gigabit Ethernet |
| WIFI              | WIFI*1, support 802.11 b/g/n      |

6. IR Touch

|                   |                         |
|-------------------|-------------------------|
| Touch Type        | Infra-red               |
| Points            | 10 points               |
| Glass cover       | Tempered glass cover    |
| Response Time     | Less than 5ms           |
| Resolution        | 32767 * 32767           |
| Position Accuracy | ±1.5mm                  |
| Communication     | USB2.0                  |
| Life Time         | Over 60,000,000 touches |

7. Others

|                     |                          |
|---------------------|--------------------------|
| Format              | PAL, NTSC                |
| Speaker             | 10W*2                    |
| Wall mount rack     | Rack*1                   |
| Voltage             | DC12V/AC100-240V 50/60Hz |
| Power               | ≤ 100W                   |
| Working Temperature | 0— 40 °C                 |
| Product Dimension   | 1286.3*757.1*54.2mm      |
| Gross Weight        | 30KG                     |
